**ATHLETES** must pass a minimum of 3 credits in the semester prior to their sport's season to be eligible to play. A day/B day yearlong classes are considered 0.5 for each class.

**Note: What is the difference between Honors vs. Standard level classes?**

Honors courses are more rigorous offerings of content than a standard course. A minimum grade of 80% in a pre-requisite required. Emphasis will be placed on greater depth of the concepts in order to increase critical thinking skills. In addition, Honors will include more out of class reading, in-depth writing assignments, additional independent projects, and greater number of essay/short answer test questions.
